Scott's® LAWN SEED — "Deluxe"

This time proven blend of all perennial grasses is particularly good for fall plantings. Triple cleaned, laboratory tested to assure 99.91% weed-free quality. Over 70% Kentucky Bluegrass. Economical—you need only a pound or two per 1000 sq ft.

Scott's LAWN SEED — "Special"

Selected blend of quick growing grasses that thrives in poorer, drier soils with moderate care—sun or shade. Free from coarse grasses. Two to four pounds per 1000 sq ft.

Scott's LAWN SEED — "Utility"

Produces the can-take-it lawn. Rugged, wear resistant grasses of broader texture that withstand heat and drought. Three to six pounds per 1000 sq ft.

Scott's Bentgrass — For those who want to achieve putting green-like turf.

Scott's Bluegrass — Blend of the best bluegrass varieties to strengthen the established lawn. Early fall excellent time to use.

Clovex® — The best quality White Clover Seed blended into a special organic carrier.

Turf Builder® Especially formulated by Scott's to keep lawns healthy, vigorous and sparkling green. Feeding helps offset summer heat damage by strengthening roots, supplying nourishment to revive grass blade growth. So rich in nutrients you can feed 100 sq ft for less than a dime.

Scott's Organic is a true all natural plant food, no chemicals or synthetics. Use generously to feed lawns, roses, flowers.

Scott's Spreaders — Streamlined and functional — scientifically engineered to make lawning foolproof and easy. Enables amateur to do quick, accurate job of seeding, feeding, weeding.

Scott'sWand® & Touch® Combo — TOUCH kills Buckhorn, Plantain, Dandelion as you walk. Insert can COPE to control insects.

Kansel — Cleans out unwanted Clover without harming lawn grasses. Use shaker can to kill poison ivy, poison oak, honeysuckle.

4-XD® Weed Control — Clean, granular compound 2,4-D, quickly cleans out Dandelions, Plantain, Buckhorn, other broadleaved weeds without harm to grass.

Weed & Feed — Unique compound combining 2,4-D and grassfood. Disposes of non-grass weeds as it feeds grass to greater health and beauty. Easy Spreader application.

Scutl® — Crabgrass Control — Cleans out Crabgrass without browning good grasses ... enables you to enjoy green lawn while Crabgrass is being controlled. Checks Fungus.

Clout — Drastic Crabgrass Control — Newest product of Scott's Lawn Research, blasts tough, matted Crabgrass. Also disposes of Dallis Grass, Foxtail and Goosegrass. May temporarily brown the lawn—good grasses soon recover.

Cope® Insect Pest Control — Effectively protects lawns from damage by Beetle Grubs, Chinch Bugs, Webworms — curtails annoying activities of Ants, Chiggers.

Lawn Care Books — Digest of issues available in New Book Edition or pocket edition.

TOTAL AMOUNT \$ _____

**Everybody Can Have A Scott's® Lawn . . .
They cost no more than the ordinary kind!**

Select your Seed Blend to meet your Lawn Goal from Scott's three Lawn Seed Blends.

1) **Scott's Deluxe** — This blend is custom designed for those who want a picture lawn . . . elegant, dressy. Thrives in SUN or SHADE, needs diligent care. Costs less per foot of lawn because you need so little seed — *only a pound or two per 1000 sq ft. New lawn seeding costs about 1/3c per square foot.* 100% perennial plants.

1 lb - \$1.65

5 lbs - \$7.95

2) **Scott's "Special"** Blend for the good lawn . . . family type, practical and casual. Thrives with moderate care in poorer, drier soils . . . SUN or SHADE. *Two to four pounds per 1000 sq ft. New lawn planting about 1/2c per square foot.*

1 lb - \$1.25

5 lbs - \$5.95

3) **Scott's Utility** — Blend for the "can take it" lawn. Rugged wear-resistant grasses of broader texture to withstand heat and drought. *Three to six pounds per 1000 sq ft. New lawn planting about 3/5c per square foot.*

1 lb - \$.95

5 lbs - \$4.75

All seed 99.91% weed free, triple clean and laboratory tested to assure growing ability.

Fall Lawning is Fast and Easy with a Scott's® SPREADER.

With a SCOTTS SPREADER, the amateur can do a more accurate job of seeding and feeding than the most expert hand spreading. You save enough materials in a season or two to offset the investment in a SCOTTS SPREADER.

No 35 - \$14.85

It's a time and money saving investment when you select a SCOTTS SPREADER to help you in your fall lawning. These machines are scientifically engineered to disperse seed, grassfood, weed controls or lime at proper rate. The spreader measures and applies them automatically from patented rate meter on hopper as you walk over the lawn. *Rubber tires, all models.*

No 35 (Illustrated) — For the city owner — lightweight, streamlined. Hopper capacity 1,440 cubic inches. Spreading width — 18 inches. Sturdy, easily hung up out of the way when not in use. **\$14.85**

No 75 — For the suburban lawn keeper. Larger hopper capacity, spreader width 24 inches. Baffle plate that fits bottom, converts it into cart for moving topsoil, trash, etc. - **\$22.50**

No 100 — Estate model for professional landscapers and folks with big lawn areas. Spreading width 36 inches, treat 1/4 acre with one filling. - **\$44.50**

Junior — Small but mighty accurate. Hopper capacity to treat 1000 sq ft. Lightweight but sturdy. - **\$7.95**
